**Fast and easy filter change with Corteco**

The cabin air filter for Renault Megane II is now available in a flexible "fast-fit" version in original quality. Save up to 20 minutes with every filter change!

- Fast installation thanks to a flexible, frameless design - no time-consuming removal of the glove compartment necessary
- Perfect fit and filtration performance in original-quality
- Available as both particle and carbon activated cabin air filter
- The classic versions with frame are also available

**Don't take a risk – Choose Corteco original quality.**

Filter types	Fast-Fit Version	Classic Version
Particle filter	80004676	21653071
Carbon-activated filter	80004677	80000670
