3 VERSIONS OF THE SAME ENGINE MOUNT FOR A MORE FLEXIBLE INSTALLATION

Engine mounts 49377176, 80000103 and 49374235 fit the exact same applications - OE reference 1844.54. The differences between these three article numbers are the size, the outer material and fixture as well as the installation process. Depending on the availability of tooling, customers can choose which engine mount they are able to fit. For example, installers will no longer need a press for the mounting of engine mount 49377176 (Figure 1). It is equipped with a metal fixture for a quick and easy installation.
