CHASSIS UPDATE

HYDRO BUSHING 49371536

Bushing 49371536 includes an integrated adjustable hydraulic damper that responds to different vibration frequencies and amplitudes. This allows the bushing to adjust its dynamic properties depending on road input leading to superior driving comfort.

Counterfeit parts or cheap replicas do not have these characteristics and are not in line with the high OE standards.

Don't take a risk – Choose Corteco original quality.

Specific product design to fulfill OE requirements

High quality raw materials for high-level service parts

Efficient production processes

Global supply chain, dedicated to the aftermarket
