## CABIN AIR FILTER DESIGN CHANGE

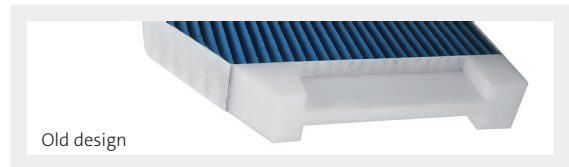

The design of cabin air filters 80005251 / 80005252 / 49408804 has been improved by removing the foam coverage. With this innovative design change Freudenberg Filtration Technologies found an environmental friendly solution by making better use of material resources and thus reducing waste volume.

All three cabin air filters present the same excellent filtration performance as before.

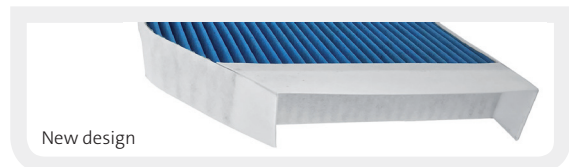

**Don't take a risk – Choose Corteco original quality.**
